# Testimonials

"We are absolutely delighted with the service you have given us so far.

Since we subscribed to become a Gold Sales Agent we are receiving a consistent number of quality leads and the number of hits on our own web site is increasing on a daily basis. This is due to the number of people using the link from Estate Angels to our site.

We feel that our subscription to your company is working very well for us."

**Peter Eley - Stepping Stones Estate Agents**

"When we first signed up with you, within one week, we had a valuation to go on because of a lead from your site. It was my passport to say SIGN HERE. The house was worth £330,000 - we got £320,000 and a fee of 1.5% +VAT. As you can imagine I was very happy. Long may it continue."
