The Television Quiz 2008

All you have to do..... You may remember last year's extremely successful quiz – the one with a Food theme which received over 500 entries!!! Well, I have now created our latest Annual Quiz. After so many positive comments about our 2007 Quiz, this year all of the answers are **past and present Television Programmes!** You will find easy, easy cryptic and easy (ish!) general knowledge clues which, when solved, will give you the name of a Television Programme! Simply work out the answers, and write them clearly alongside each question. Do as many as you can - I don't think many will get them all right!!! Only 54% of the entrants got a 100% score in our Food Quiz 2007!!!

To make it even easier for you, I have listed all the answers overleaf – cross them off when you've got them – but be careful! It's as simple as that!!

I have allowed ample time for you to complete the quiz. You will find that you pick it up, answer one or two, put it down, leave it a couple of days, pick it up again, change an answer, do two more, then put it down again. You can show it to family and friends for more help over the Christmas break – **however, I must receive your entry by the closing date which is 12 Noon on Saturday 10th January 2009!** The winner will be the entry with the most correct answers. In the event of a tie, the entries with the most correct answers will be placed in a hat and winners will be drawn at random. Best of luck and I hope you enjoy it! *Jonathan Hammond*
